Thank you for the cooperation of your agency in nominating candidates to the Education for Public Management Program (EPM). The enclosed list announces final selections for EPM for the academic year 1973-74.

A letter of congratulations on behalf of the Civil Service Commission will be sent to each nominee five days after the date of this letter. This will allow you enough time to inform your agency's participants personally or arrange for appropriate agency notification.

Orientation sessions for participants will be held on each campus at varying times from now through the summer, prior to commencing the academic year. Individuals will be notified by the program advisor at their university when to report for orientation. These sessions have proved effective in helping the mid-careerist prepare for the transition and plan courses of study.

To assist in fulfilling an inherent obligation to the universities in their scheduling and fiscal planning, we ask that we be informed of any declinations to participation by June 15, 1973.

Thank you for your continued interest in the support of the Education for Public Management Program.

Sincerely yours,

James R. Beck Jr.
